Description

A beautiful contemporary chair for indoor dining featuring white and black tones.

Our superior handmade Cafe Cane Chairs are meticulously handwoven from the highest quality natural rattan, combining it with modern industrial materials. Each chair is aesthetically designed for function, beauty and ergonomic function. Our designers use traditional techniques which has been passed on through generations and have achieved award winning status for concept and innovation.

You'll see our French Cafe Cane Chairs throughout Australia in world class Hotels, Restaurants and Cafes.
