Description

Our galvanised indoor and outdoor hand crafted steel Chantilly Armchair is delicate in design with its curls and soft lines. Its been designed for relaxing, with its generous sized seat so you can spend hours reading a good book or chatting with friends. The range has a side table and 2 seater available.

Each piece of our Le Forge Steel furniture is hand forged by skilled craftsmen at our own factory using traditional techniques and superior materials. There isn't any machinery used in the process and any slight difference in the final hand finishing is due to the hand forged process which we consider to be merits in workmanship.

We provide rubber feet to protect your floors and of course it will have the "Le Forge" badge on the back so you know it's a quality piece that will last.

We're happy to discuss cushion options with you to suit your requirements.
