The La Spezia 2 Seater is generously sized.....perfect for relaxing with friends or with a good book, with wide strapping and a high back so you can surround yourself with cushions to make it really cosy. Each piece of our Le Forge Steel furniture is hand forged by skilled craftsmen at our own factory using traditional techniques and superior materials. There isn't any machinery used in the process and any slight difference in the final hand finishing is due to the hand forged process which we consider to be merits in workmanship.
